Kingsway Regional High School

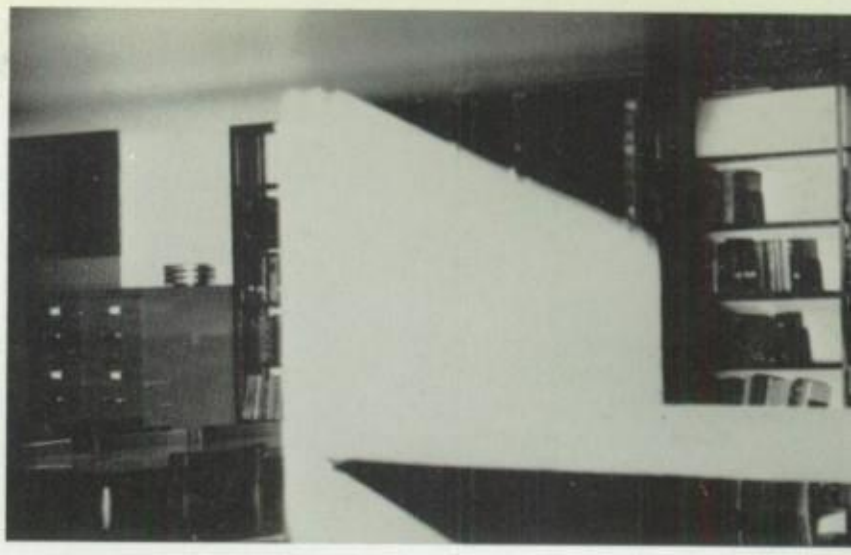
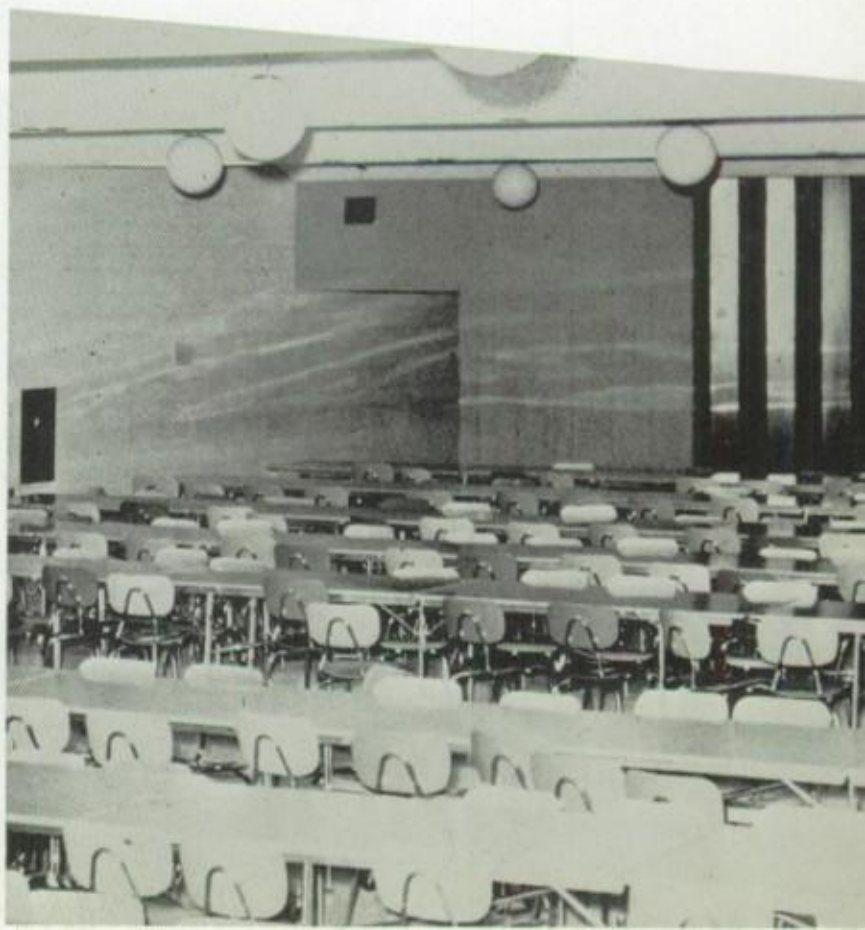
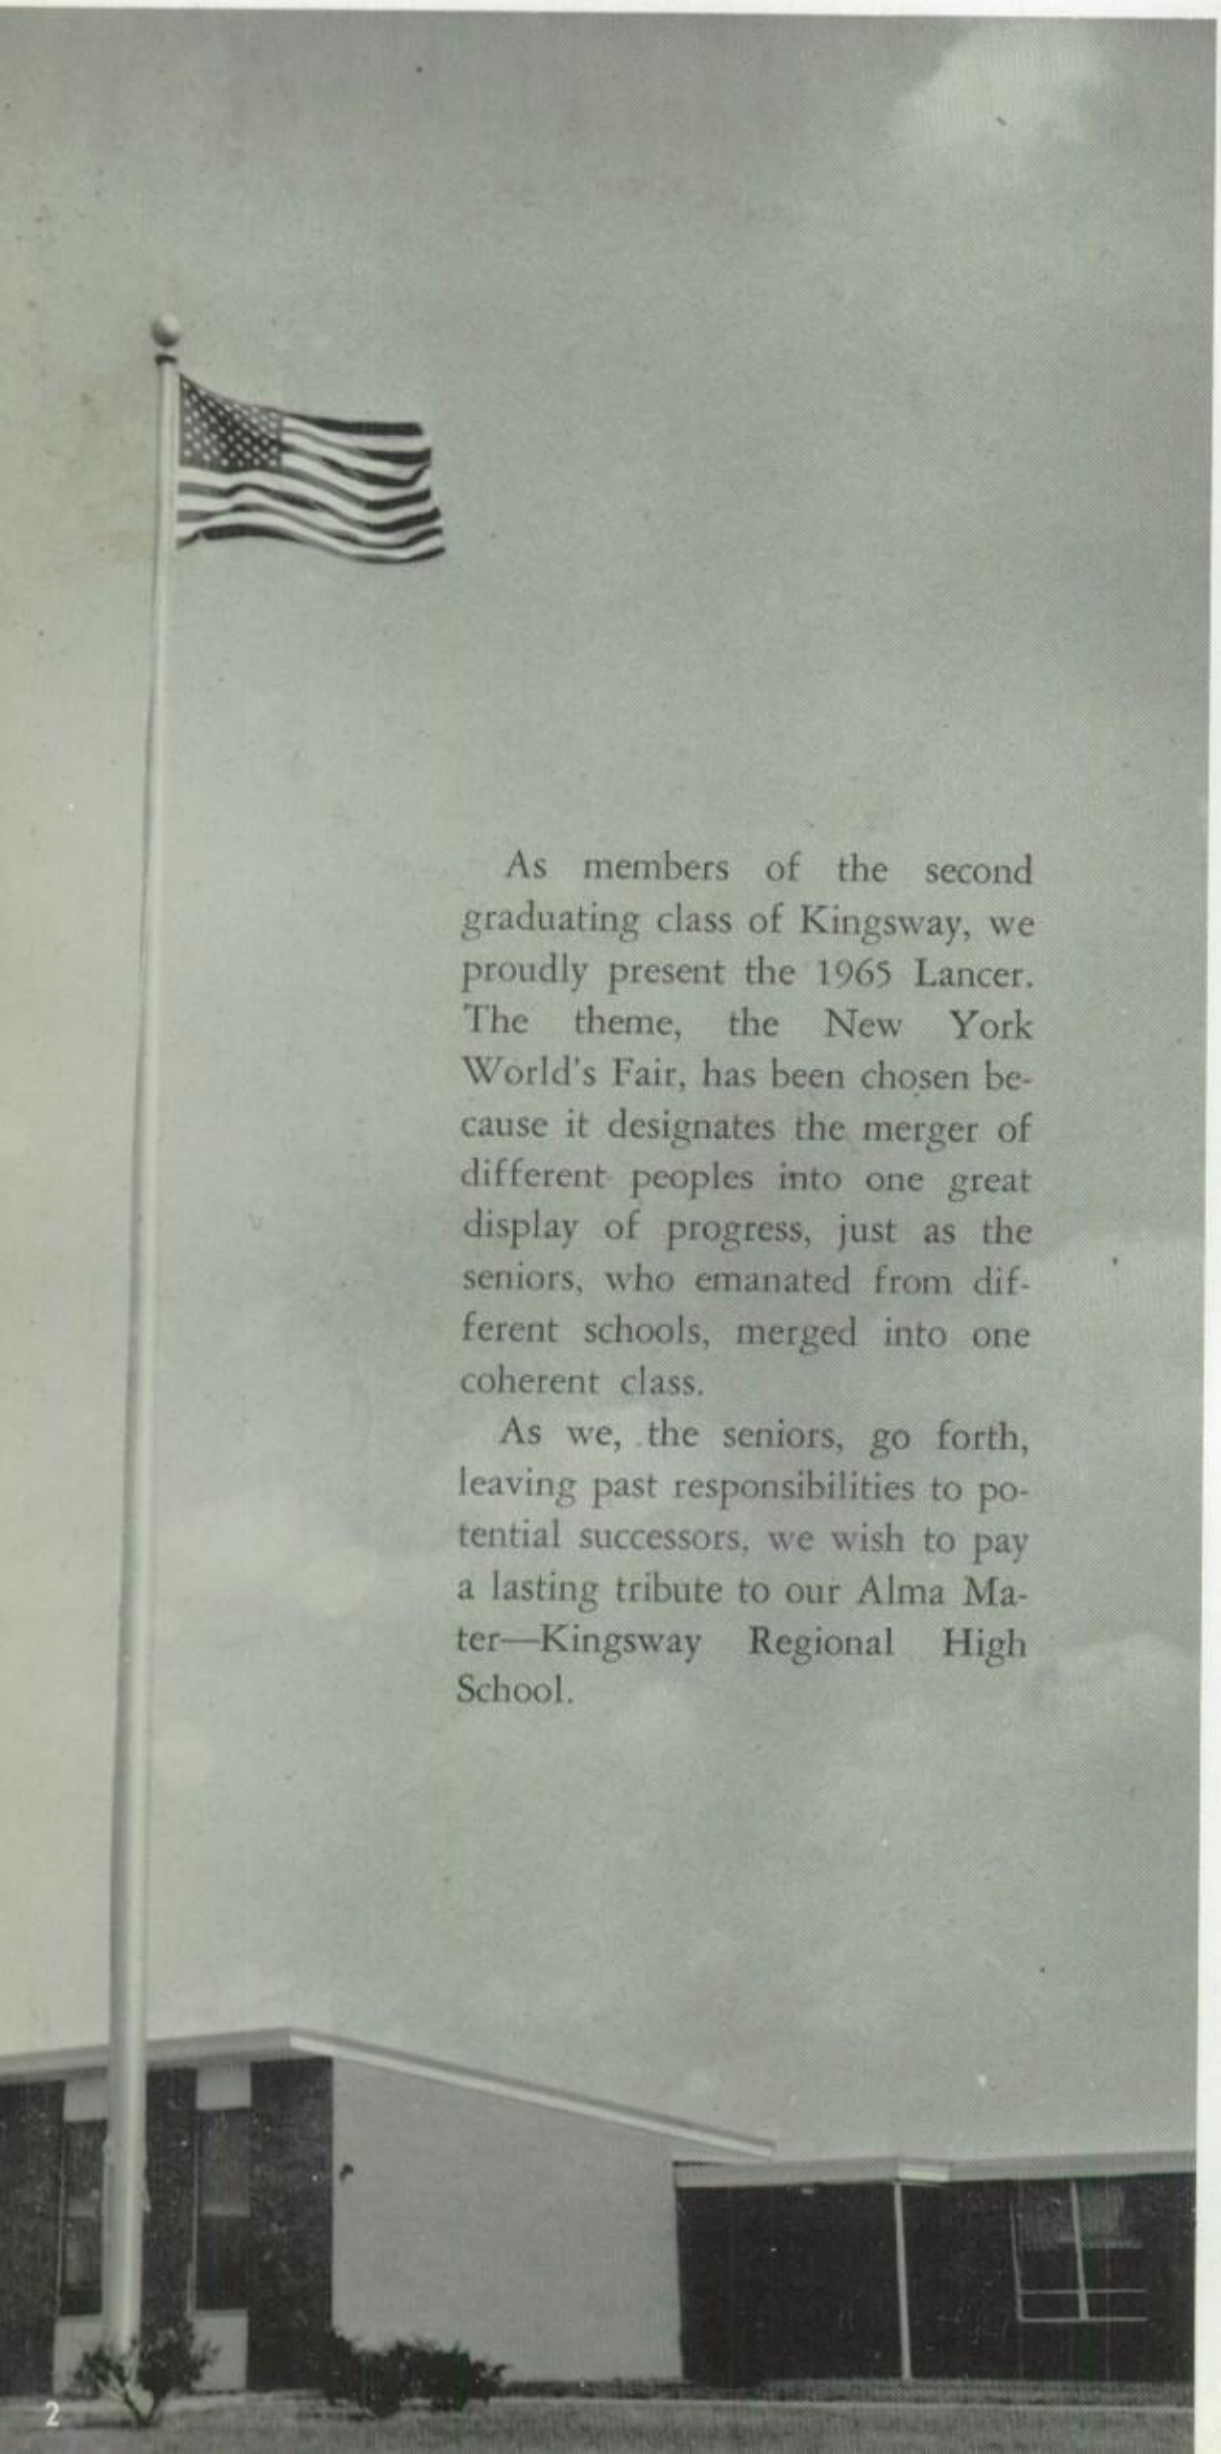
Foreword







As members of the second graduating class of Kingsway, we proudly present the 1965 Lancer. The theme, the New York World's Fair, has been chosen because it designates the merger of different peoples into one great display of progress, just as the seniors, who emanated from different schools, merged into one coherent class.

As we, the seniors, go forth, leaving past responsibilities to potential successors, we wish to pay a lasting tribute to our Alma Mater—Kingsway Regional High School.

DEDICATION

For many years Miss Dorothy Blair has capably served our school community. Throughout the halls of Kingsway Regional High School her art talents are uniquely displayed through her students' art work. She has helped to make our school more attractive.

In the past four years we have been faced with many projects needing superior art direction. During these times Miss Blair's patience and understanding has helped us achieve many goals.

In addition to her teaching responsibilities, Miss Blair has been advisor to our assembly committees. Always looking to the interest of the students, she has helped make our assemblies interesting and educational.

To you, Miss Blair, we, the class of 1965, dedicate the LANCER. To a great lady we express our sincere gratitude.

FRANK CENTURIONE

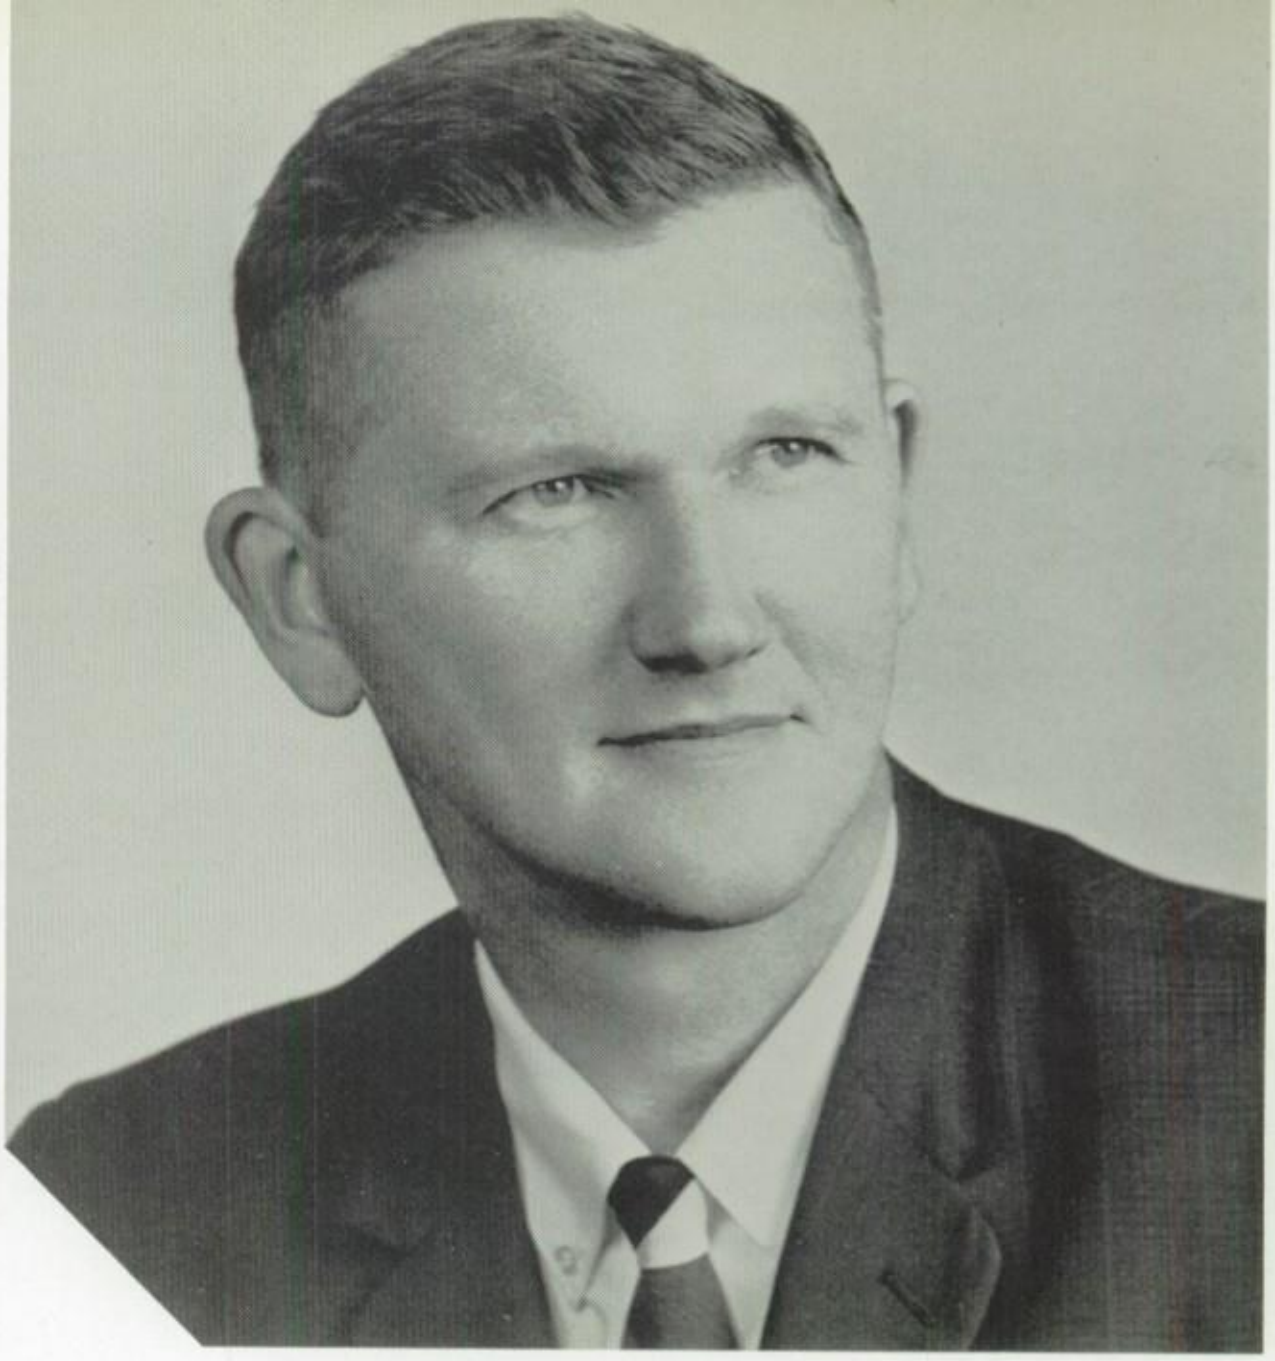
Principal's Message to the Class of 1965:

For the members of the Senior Class who are leaving Kingsway, my greatest wish is that you achieve success in your chosen future.

Remember that the difference between failure and success can usually be summed up in three words.

Successful people do what is expected of them—and then some. They are thoughtful of others—and then some. They meet their obligations and responsibilities fairly and squarely—and then some. They are good friends to their friends—and then some. They can be counted on in an emergency—and then some. They apply themselves to the job at hand—and then some.

Mr. R. Costill



Vice-Principal's Message to the Class of 1965:

As the members of the graduating class, you go forward into another phase of life. Now is the time to set goals high and to begin the climb toward success. Success is not necessarily measured in financial gain but rather in realizing your given talents and using them to greatest advantage.

In your future years you should not evaluate your success by what you have accomplished, but by what you should have accomplished with your abilities.

We who remain at Kingsway are confident that you all go forth with an attitude of wanting to succeed and of wanting to use your abilities to their greatest advantage.

Mr. J. Rosser

Varsity Squad — 1964

STANDING: Coach Alston, S. Rizzi, D. Perry, E. Reiger, T. Maccarone, T. Kirschling, H. Payne, S. Cardullo, C. DeVault, J. Burnight, R. Fields, T Roberts, R. Venuto, L. Clark.

COACHES: N. Wilson, K. Alston, J. McGrody, E. Zaledonis. TRAINER: N. Velykis.

The 1964 Dragons initiated their second season with the hopes of capping a Tri-County championship. The prospects looked bright with a returning backfield, headed by star halfback Jack Hamilton, and a number of big Junior linemen. The Dragons breathed fire in their first game on their new field opening day by clobbering the Clayton Clippers, 31-6. The Dragons were paced by Jack Hamilton, who scored twice, Jim Fauntleroy and George Burrell, who both scored once, and Bill Skinner, who tossed a touchdown pass to Larry Zane.

Kingsway came out the following week to play the darkhorse of the Conference, the Pitman Panthers. Things looked bright as the Dragons carried a 7-6 lead into intermission, on a 46-yard Burrell pass to Hamilton. But disaster struck as Burrell got off a short kick to begin the second half and the Panthers capitalized on the breaks and scored twice to carry off a 19-7 victory.

The Dragons bounced back the following week against a previously undefeated Pennsville High squad to roll to a resounding 26-0 victory. The Dragons led 6-0 at half, then poured it on in the second half for twenty points to insure victory. Jim Fauntleroy was the big gun as he scored twice, Jack Hamilton and Harold Payne also contributed touchdowns.

After being rained out on Saturday, Kingsway reported on Monday to defeat the Salem Rams 20-6. Jack Hamilton continuing his fine ball playing scored twice and Jim Fauntleroy, the other half of Kingsway's jet set, scored once, to move the Dragons to a 3-1 seasonal mark.

SEATED: H. Knight, J. Kirschling, S. Fiducioso, S. Licciardello, S. Hunter, W. Skinner, G. Burrell, J. Hamilton, J. Fauntleroy, R. Apgar, F. Leonardi, H. Dersch, L. Zane, I. Jamison, J. Ragonese.

The Dragons hiked to Gloucester the following week to meet the co-leaders of the conference. They left at intermission trailing 14-0 after putting on a poor demonstration of football. Coming back the second half the Dragons pulled within striking distance on a beautiful 50-yard punt return to the one yard line by Hamilton, who carried it in on the following play. The Lions, then capitalizing on the breaks, moved in to score twice and walk away with a 26-6 victory.

The following week Kingsway clobbered the hapless Washington Township Minutemen 44-6.

The Dragons riding the crest of their previous week's victory were slammed to the ground by the Delsea Crusaders in a 20-6 victory. The Dragons did everything wrong and Delsea capitalized on every break.

The Wolverines of Woodstown humiliated the Dragons the following Saturday as they slid to an astonishing 12-6 victory over a highly favored Kingsway eleven. The defeat sent the Dragons home with a 4-4 record and in need of a Turkey Day victory for a winning season.

Every Dragon arrived Thanksgiving Day with the thought of victory, but for three and a half quarters it looked as though their hopes would not be realized.

Finally, with about four minutes left, George Burrell went in from one yard out behind Tony Maccarone to provide the margin of victory and give the Dragons a winning 5-4 seasonal log.

The Dragonettes practiced hard this season in hopes to claim first honors.

Through strenuous effort, the thrice defeated girls tied two-in-a-row in thrilling conflicts with Woodstown and Pennsville who shared first place.

With replenished spirit, the Dragonettes added two victories in their final bouts of the season, thus bringing home a third place ribbon.

The J.V. squad again brought home first place honors with nother undefeated season.

Many of these girls will fill the spaces left in the varsity eam. The promotion is well deserved.

The potent Dragonettes ushered in the best log in he short sports history of Kingsway by defeating Delsea.

The sharp-shooting forwards and aggressive guards proved to be too much for not only Delsea, but Woodstown, Salem, Clayton, and Pennsgrove.

The girls lost a hard battle against Pennsville in which the decisive basket was scored in the last ten seconds of the game. In the final encounter of the season, Pitman, the league champions, proved to be superior to our local misses.

Although the girls did not win the Tri-County championship, two of the three high scorers in the league were from Kingsway. Senior, Karen Damask, diminutive forward, scored eighty-seven points to win he coveted first place honors. Beverly Damask, Karen's ousin and also a Senior, "racked up" eighty-two points o place third.

The future seems vague with these two high scorers one; our offense will be blunted. However, the entire efensive unit returns next year to assure our team nother winning season.

Congratulations to the team for its successful season f five wins and two losses.

MANAGERS: J. Robertson, C. Grenhart, J. Magsam, G. Fisher, S. Clarke.

Kingsway Regional High School's varsity five dropped their initial encounter of their second season to a tough Clearview quintet. Sophomore letter winner "Herkie" Payne led the Dragon offense with 18 points.

Two games later the Dragons displayed outstanding defense to cop their first victory of the season against Clayton, 46-35.

DeGroodt's men posted their most impressive victory of the season against Woodbury, in the opening round of the Kiwanis Jamboree. Returning three nights later for the tournament final, the Dragons gave their fans a night to remember. Being down by 23 points at the half, our boys took the floor the second half to outscore, outrebound, and outplay a surprised Paulsboro team. Although they lost the game 59-63, they did win respectability.

After dropping a see-saw battle to Gloucester 60-62, the Dragons rebounded to post four victories in succession. At this point of the season, sharp-shooting senior Jim Page, tickled-the-twine for a total of 108 points for the five games. This included a 30 point outburst against Delsea, to establish a school scoring record.

The Dragons continued to have their ups-and-downs for the remainder of the season. Outstanding individual performances were: Jim Fauntleroy's 18 points against Salem, Jack Kirschling's 17 points against Camden Vocational, George Burrell's 19 points against Woodstown, and Tom Kirschling's 17 points against Delsea.

Jim Page brought honor to our school when he was selected to the Tri County All Star second team. "Pee Wee" also received an award for the best foul shooting percentage. Special awards were presented to Harold Payne, for leading our team in rebounds and being our high scorer for the season.

Coach DeGroodt will have five positions to fill for next season. Those vacated by George Burrell, Robert Fields, Jim Page, Jack Hamilton, and Ted Chesney. Returning lettermen will include: Harold Payne, Jack Kirschling, Jim Fauntleroy, Ed Johns, and Tom Kirschling.

"Come fly with me!"

"Where's the ball?"

"Rebound, Jack."
